# DEERHACK 2023

Fawning Over Innovations

# Deerwalk Institute of Technology

Deerwalk Institute of Technology (DWIT) is an educational institution that prepares students and professionals of all levels to meet the problems and grab the possibilities of the twenty-first century IT Industry. The institute is well-known for its approach to learning that is both open-minded and responsible. It has an affiliation with Tribhuvan University and offers two undergraduate degrees, BSc. CSIT and BCA.

# DeerHack 2023

Deer Hack 2023 is the brainchild of a small team to unleash the potential of young IT minds innovators through a 48-hour hackathon in which developers, designers, students, entrepreneurs, educators, and mentors collaborate to create solutions that tackle real-world problems. When people from many backgrounds collaborate, they do more than merely do good; they become a force for global change.

# Event Roadmap

## Why **Join?**

DeerHack gives participants a one-of-a-kind opportunity to work in groups to develop innovative solutions to real-world problems. You will work with individuals who share your desire to create something significant. DeerHack also provides you access to mentors and industry specialists that can assist you throughout the event and help you improve your skills. You will also be able to network with other participants and potential employers, which will help your entire career.

# Benefits of Participating

## Network

DeerHack is the perfect platform to build your connections who regardless of their expertise/sectors will come in handy some day in the future.

## Support for Your Ideas

DeerHack is dedicated to fostering ideas that drive global change and provide new solutions. We guarantee that no participant will leave DeerHack empty-handed, and we will do all that we can to support everyone's ambition.

## Career Opportunities

DeerHack is the perfect platform to build your connections who regardless of their expertise/sectors will come in handy some day in the future.

## Interpersonal Development

DeerHack will undoubtedly test your abilities. The pressure you'll feel here will definitely convert you into a diamond.
